NEW PRODUCTS BEING INTRODUCED
AT THE 2019 SPRING QUILT MARKET/KANSAS CITY

Note: Submission was open to all exhibitors, who were responsible for providing the following information. This list does not represent every new product being introduced at Quilt Market. Prices listed are suggested retail.

3 WISHES FABRIC
BOOTH #831
WWW.3WISHESFABRIC.COM
• Lovitude "Play with Me"
Introducing our newest designer, Lovitude. Anne Pryor, the creative genius behind Lovitude was inspired to create after a friend’s passing. Her bold images are mesmerizing and her message is powerful. This eight-piece, digitally printed collection includes eight skus, two of which include oversized panels.

• The Great Outdoors by Connie Haley
Calling all adventure seekers! 3 Wishes and Connie Haley team up again for another incredible, digitally printed collection. This eight-piece group includes a panel featuring a vintage camper & wild animals that are created in Connie Haley’s unique "color pop" style. Mixed media and bold color, oh my!

• Sassier Animals by Connie Haley
They're back! Introducing the next of Connie Haley's fantastic animals with their uproariously funny catchphrases. This eight-piece, digitally printed collection includes two panels that feature all of the animals. "You bet giraffe" that you are going to love this brilliantly designed collection.

**BOOTH #126**
[WWW.STUDIO180DESIGN.NET](http://WWW.STUDIO180DESIGN.NET)

- **Wedge Star Tool**
The Wedge Star™ tool is designed to make a variety of different blocks based on 45° sub-units. They range from simple kaleidoscope blocks to complex Wedge Stars with Diamond Points going north, south, east and west. Units can be interchanged to create unlimited designs. Twenty-two different size options.  
$36.50

- **Cut Crystal**
One of many patterns we are introducing at Market, Cut Crystal was designed for the Wedge Star™ tool and uses all three of the basic block types available in the general instructions. It gives the illusion of curves using only straight seams.  
$11.50

- **Offset Four Patch Technique Sheet**
If you thought a simple Four Patch added loads of interest to a design, wait until you see what an offset version with different size “patches” will do! Make 17 different sizes with your Four Patch Square Up®. Create unique blocks, interesting chains, or Disappearing Nine Patch style designs.
