

# Fabulous Fish Fabric Collage.

Jane Haworth  
Quilt Artist

This pattern includes many fish designs in various sizes. Use the photo on the front of this pattern for ideas on how to use the color fabrics. In fabric collage the more variety the better. I encourage making the fish, first placing them on the background and then making the ocean floor details.

**The Kit includes:** a variety of fabrics for the fish from scraps to small pieces.

## **You will need:**

For the background a fat quarter sized piece of blue or ocean colored fabric.  
( I will bring some hand dyed pieces suitable for backgrounds)

## **Fabric Collage Tools:**

Pencil,

Chalk marking tool, or disappearing pen. I like the Bohin chalk marker.

Fabric glue with fine nozzle or glue applicator I use Alennes Original Tacky Glue

Good, sharp small scissors (I use Karen Kay Buckley 6" scissors)

Optional: Lightbox and tweezers

Batting, backing fabric and binding to finish the project **not for class.**

You may bring other fabrics to use also. I will have a sea-horse and turtle pattern available for purchase.
