

Crosshatching with Stencils and Rulers  
Hands-on class

Instructor: Dorie Hruska  
Forever Quilting

Crosshatching comes in many forms. From straight, curved, wavy to modern. So where do you start? In this Crosshatching class, Dorie will show you some creative ways to quilt out Crosshatching designs with ease. Students will quilt out these designs, using stencils and rulers, on a border style sampler. You will leave the class with the confidence needed to try crosshatching on your next quilt project.

Supply list:

- \* Notebook/Sketchbook and pencil/pen
- \* Curved rulers (sizes 8"-20" recommended)
- \* Straight line rulers
- \* Scissors or thread snips
- \* Fine tip, Dry erase marker

Any brand of rulers will work. If you need a recommendation, my favorite rulers come from Linda Hrcka of The Quilted Pineapple. I will have some of these available for purchase during the class or you can contact me to preorder.

Class Kit (\$25 paid at time of enrollment) includes:  
Handout, top/backing fabric, clear plastic sheet
