

Finding your Path—HQ Capri Hands-On class

Instructor: Dorie Hruska  
Forever Quilting

Do you struggle with how to quilt a top with the least amount of starts and stops? In this hands-on class you will learn the strategies Dorie uses to find the continuous quilting path around pieced blocks. Then take it to the next level by connecting these free motion designs across the width of the quilt top with one start and one stop. Based on Dorie's book, Making Connections.
