Class Goals

1. Understand color fundamentals and interaction
 - Learn how to create multi-colored palettes and gradients
2. Become familiar with color harmonies and start to internalize how to put colors together
 - Use color bits like chips, scraps, colored pencils, etc to play and learn
3. Use Smokeset quilt as canvas to curate a seamless fabric pull
 - Leave class with a plan to create Smokeset pattern

Notes:

Color Harmonies

A large dashed rectangular box, intended for taking notes. The text "Color Harmonies" is printed in the top right corner of the box.
