

## PHILIPPA NAYLOR CLASSES 2022

# The Finish Line. Unusual, creative and clever ways to complete your quilts.

Be inspired by a range of decorative edges to take your quilts, wall hangings and home furnishings from being good to being really special. Sew samples and learn how to create shaped and straight edge facings, decorative rouleau loop trims and a range of fancy prairie point details. Learn how to hang and support unusual shaped quilts with plastic boning reinforcements that are invisible from the front of the work. So much more interesting and inventive than the usual binding, this class will inspire your design choices right up to the last stitch!

### What you need to bring with you:

1. General purpose sewing thread. Please include some ordinary strong polyester sewing thread such as Guttermans 'Sew All'.
2. Four different fat quarters. A chance to use up some old pieces from your stash!
3. Two quilt sandwiches with low loft wadding. Minimum size 18 x 12". You can baste these quilt sandwiches if you wish.
4. Needles for machine and hand sewing.
5. Rotary cutter and mat.
6. Quilters' ruler minimum 18" long.
7. Quilters' 6 or 6½" square or triangular 'ruler'.
9. Safety pins and straight pins.
10. Scissors for fabric, paper and thread cutting.
11. Paper, notebook and pens.
