Book – *Fun with Panels*, Cyndi McChesney, C&T Publishing

Panel – of course! Bring a panel you would like to work with – any style is great. Pre-washing is recommended.

Single frame panels are great and we can work with those of course as there is a lot to learn about using one of those, but if you want to challenge yourself, choose a panel with several different sized sections for a more challenging design process.

Calculator

Design surface or portable design wall (optional)

Camera or cell phone with camera feature

Books or magazines or other sources for lots of block ideas

iPad or laptop for design inspiration

Scrap paper for rough sketching of ideas as well as doing math and taking notes.

Colored pencils –optional

Coordinating fabrics - optional

Required kit includes graph paper, mechanical pencil, ruler, handouts, and colored card stock.
