The beauty of a Mandala is magical. It draws us in and captivates us with its repetitive designs and symmetry. By using stencils and rulers we can now create these designs with quilting. (Recommended for quilters who have previous experience and comfort with free motion quilting and ruler work)

Supply list:

- *At least one Curved ruler (Anything from 10"-20")
- *Straight line ruler
- * Black fine tip dry erase marker

Optional (not required) Additional rulers if you already have them: Curved rulers (8", 10", 12", 15", 20) and Circle rulers (anything from 3" to 11").

Any brand of rulers will work. If you need a recommendation, my favorite curved rulers come from Linda Hrcka of The Quilted Pineapple. I will have some of these available for purchase during the class.

Class Kit includes:

Handout, Pen adaptors, top/backing fabric, 12" Copies of templates, with sheet protector
