

Supply List for Serger Stitch Savvy
Katrina Walker
Houston International Quilt Festival 2022

Please bring the following:

- Thread snips
- Serger tweezers
- Needle threader
- Reading glasses, if needed
- Pen or pencil for taking notes

Also recommended but optional:

Your serger manual, if you have a serger. Although we will likely not be using your brand of serger, there are many things that are universal and having your manual available as a reference can help transfer what you've learned in class.
