

PHILIPPA NAYLOR CLASSES 2022

Contemporary Curved Piecing

Full day. Suitable for confident beginners and beyond.

Learn Philippa's unique award winning curved piecing method. The class begins with extensive discussion of materials, equipment and working methods, Students are given a master pattern for a small curved quilt and learn how to make templates the easy way. Detailed demonstrations illustrate how to cut curved shapes with a rotary cutter. After further demonstrations students sew their mini quilt top together using precise techniques sure to give wonderful results.

A great opportunity to learn an entirely different way of creating a beautifully crafted contemporary quilt top!

What you need to bring with you:

1. A small choice of fabrics to include:
 - Minimum half metre of a 'focus' fabric (perhaps with a print that the other fabrics co-ordinate with).
 - Fat quarter of light fabric
 - Fat quarter of medium fabric
 - Fat quarter of dark fabric
 - Two more co-ordinating fat quarters of fabric
2. Fine sewing thread.
3. Sewing machine needles sized to match your chosen thread.
4. White pencil crayon or pale coloured quilt marking pencil.
5. 28mm rotary cutter. Please note that this size is essential for this technique.
6. 1" x 6" quilters ruler or 1" x 12" quilters ruler. Please note this is essential.
7. Medium cutting mat.
8. Scissors for paper.
9. Small fabric scissors with sharp points.
10. Sharp pencils, an eraser and notepad.
11. Sellotape/Scotch tape.
12. Fine straight pins.
13. Freezer paper. This is essential for this class.
14. Optional extras - coloured pencils, tweezers or small pointed tool to guide fabric through the machine.
