

Layering Design Supply List

Taught by Stacie Spradlin

Students should bring a pencil, paper, a water-soluble marking pen and thread snips. Students should also bring both straight and curved rulers suitable for quilting with the use of the longarm machines and for drawing. Other templates are welcomed also that you may want to play with for design purposes. Taking pictures is welcomed.

Please email any questions to spradlinstacie@gmail.com

I look forward to meeting you!
