Class Supply List for Tiny Art Quilts, #119

Batting of choice, 16" by 16" minimum

Small assortment of embellishments, ribbons, trims, button (Susie will provide some as well)

Basic sewing supplies (pins, needles, Fabric Scissors)

Scraps of favorite fabrics (Susie provides some, too)

iPad (preferred) or other smart tablet

Charging cable and plug

App Store password

Stylus or Apple Pencil (optional)

A list of apps to download before the workshop will be provided Oct. 1 to registered participants. Apps change, disappear or become too expensive and I need to update the app list closer to the date of the Quilt Festival. Total apps required will cost no more than \$10. NOTE -- APPS, LIKE EVERYTHING, HAVE GONE UP. You may want to wait to order until you see what these apps do. They are still a great bargain compared to subscription services such as Adobe Creative Suite.

If you have issues with apps downloads or can't find these apps, give me a call at 210-643-2128

If you are using a tablet other than an iPad, most of these will not be available but I can suggest others that can do some similar effects as well as some web site based filters. Just email me that you need other Windows or Google apps.
