

Simple Village

Create your own unique village with EasyPiecing Grid! The big quilt finishes 48 x 58 before border. The smaller projects finish 36 x 38 before border.

Supply list:  Background: scraps, fat quarters for 1 ¼ yd total  Houses: scraps, fat quarters for 15/8 yd total  Roofs: scraps, fat quarters for 1 ¼ yd total

Pre-class prep: There is a total of 30 houses. Cut 2.5" squares. 11-12 squares for each house, 1-2 squares for door/window for each house. Each roof takes 4 half square triangles (cut 2.5") and two cut squares per house. You can pre-sew hst before class. There will be a demo on hst in class if you want extra tips!

4 Elmer's Washable school glue sticks, small mat, rotary cutter, and ruler, small pressing surface (there will be some to share in class) Applique Pressing sheet (optional)
