

Warrior Woman Supply List 2023

Abstract: Create your own version of a fierce Warrior Woman. We will make a wall hanging that can adorn any wall! I will supply the line drawing, you supply the colorful fabric and imagination. You will receive a full size line drawing to give you the basic framework, but we will discuss ways to make your Warrior Woman a reflection of you! Come prepared for a day of fun, as you create a woman to be reckoned with! No sewing machine is required for this class. You will make the fused warrior woman in class. I will have photos of samples of completed student work online and will share a link so you can view them as inspiration on how you can personalize your warrior woman. We will discuss appliqué techniques and quilting ideas at the end of the day.

Duration: Full day (6 hours)

Skill Level: Intermediate - student should be familiar with fusible appliqué techniques

Supplies:

Class kit

- Large (24" x 40") workspace to build your warrior on
- 3 yards Wonder Under
- Paper Clips
- Baggy to hold pattern pieces

Student must provide (not in class kit)

- Scissors - both paper and fabric
- Straight pins
- Pencil and eraser
- 1 1/2 yard of background fabric. Your finished warrior will be appliquéd to this fabric, so you want high contrast to your body and clothing fabric. You might want to bring along a couple to choose from.
- 7-10, 1/2 yard pieces. You won't use them all, or the entire half yard, but the more fabrics you have to play with the better. On average, I use about 7 different fabrics, but don't limit your design possibilities. Fabric should coordinate with your background fabric.
- A couple of fat quarters of coordinating fabrics for her shield, or use the remaining fabrics from her clothing.
- Border fabrics of your choice (won't need this in class, as borders are added later)

Notes:

- My drawings, supply lists and handouts are for your personal use. They cannot be shared with others or duplicated/copied.
- Work made from my line drawings are for your personal use. They may not be sold.
- When sharing on social media, please reference my class.
- If you enter your work in shows, contests or exhibits, please provide me (Renee Fleuranges-Valdes) credit as designer.

Remember to have fun, and color your life, one quilt at a time!
