- Notebook, pen/pencil for notetaking
- Karen Kay Buckley's Perfect Curved Scissors (Red) for cutting curved edges of mosaic pieces
- Karen Kay Buckley's 4" Perfect Scissors (Green) perfect for cutting straight edges of mosaic pieces

Note: This is a small and detailed quilt design. We will be doing a lot of precision placement of small cut fabric pieces therefore it is important to have a good pair of precision fine tip tweezers and for the best results when cutting mosaic fabric pieces, I highly recommend Karen Kay Buckley's two specific scissor types noted under Required Supplies List for this project. Bring your glasses if necessary.
