

Quilting Design Decoded: Choosing designs with Confidence
Design class

Instructor: Dorie Hruska
Forever Quilting
foreverquilting@ymail.com

Have you ever wondered how experienced quilters choose the designs they include on their quilts? They make it look so easy! Join us to demystify the process, learn invaluable techniques and thought processes, and gain the confidence to select and implement the perfect quilting designs for your projects.

Prior to the class, students are invited to submit a photograph featuring a block or quilt top for potential inclusion. Dorie will curate a selection of these photos to be discussed during the interactive class. Submit photos to foreverquilting@ymail.com, by October 1, 2024. Students are also welcome to bring their tops to class for discussion.
