Pellon 830 Foundation
Chenille Needle #24
Embroidery Threads
Background with batting
Instructions

Fabric Collage Supplies

- Fabric Glue Stick (Elmer's, 505, Quilters Select) or light fabric glue or small glue bottle with needle applicator
- Fabric scissors and good small sharp scissors for cutting fabric. I use Karen Kay Buckley 6" perfect scissors.
- Pencil
- Chalk marking pencil or tool. I like the Bohin chalk pencil (red colored, thicker one)
- Small trash bag for scraps
- Optional: Tweezers.
- Optional: Battery Operated Light box or pad. Painters tape, I will have some available.
- Optional: Hand stitching supplies like a thimble you like to use, extra threads.
- Bring extra scraps or small pieces of fabric for more choice options.

I will share instructions for making this into a bag.
