[Digital Drawing and Quilt Design Class Project File](#) found in the Virtual Workshop Kits section of the Shop page

[How to Upload a Project to Inkscape](#)

[Completed Block](#) Download this file and put it somewhere where you can easily find it.

*NOTE: It is much easier to use Inkscape with a mouse

For Windows

Inkscape 1.1 (the newest version) already installed on your laptop for **Windows 7 and higher**.

- Find directions for Windows installation [here](#) or watch a YouTube video [here](#)

For Windows versions **older than Windows 7 (Vista, XP),** please use [Inkscape 0.92.3](#)

For Mac

Inkscape 1.1 (the newest version) already installed on your laptop for **MacOS version 10.11 or newer.**

- Find directions for Mac OS installation [here](#) or watch the YouTube video [here](#).

For **MacOS 10.7 - 10.10,** you need to install Inkscape 0.92.2 (from 2017) using separate directions for installation found at the same link above and labeled: **Installing Inkscape on OS X 10.7 - 10.10** (you'll have to scroll down to find it.)
