3 IRIS FLOATING ART QUILT

In this class you will create a floating art quilt with three colorful Iris flowers actually moving away from the front of the art quilt.

This is a fun way to expand your creativity and leave the class knowing how to add dimensional artwork to your quilts, purses, bags, pillows, etc.

Designing unique art quilts and dimensional flowers will take your 2-dimensional creativity to a 3-dimensional piece of art.

You will have enough time to complete this art quilt. I encourage you to also change any design elements as you develop your 3-D floral art quilt.

You will leave this class inspired to learn more and create more 3-dimensional art quilts.
