

Tropical Landscape Class #613

Taught by Phyllis Cullen

Materials & Tools Needed:

If you have paid a "materials fee" or have ordered a kit: You just need to bring a rotary cutter (any size), scissors, a small cutting mat, and your sense of adventure!

Otherwise: printout of chosen landscape scene

enlarged print of pattern to 18" wide

Steam a seam 2: 18" wide 2/4 yard

Rotary cutter and mat (scissors optional)

Sharpie, glue stick

Lots if scraps of every pattern or color for sky, water, foliage
