- Floral or novelty fabrics to **fussy cut**** many different sizes and designs
- Cotton Off White and black thread 50W, *Favorite Brand: Aurifil*
- Fat quarter background (May not need it for class)
- New kitchen-type sponge with an abrasive side
- Spray bottle of water
- Sewing machine provided in classroom, bring your favorite basic Sewing supplies including scissors and pins
- Optional: Quilting gloves

*Fat quarter = 18" x 20

** Fussy Cutting meaning to cut pieces of fabric so that a particular part of the printed design is centered or featured, be sure to add an extra 1/4" all the way around your design.

Please cut around your flowers and do NOT use any fusibles or glues... This is very important!

PRO TIP: When fussy cutting DO NOT cut directly on the line, rather **add 1/4" of the background to the item you are fussy cutting
