Discover the excitement of color, design, and dimension in this creative quilting class! Using a simple construction method, students will create a striking 3D-effect quilted wall hanging measuring approximately 36" x 36". This educational learning experience encourages exploration of fabric placement, color value, and visual movement while building quilting skills quick-fast-and in and supportive environment.

For those wishing to make a larger lap-sized quilt measuring approximately 60" x 60", simply increase the fabric requirements to include 36 background squares, 9 contrast squares, and 9 center-fabric squares. *Visit blog or website for more pictures and design options!*

Class Note: Sewing machines and irons will be provided for student use during class. Simply bring your fabric, basic quilting tools, and enthusiasm for learning!
