Materials in Kit: Embroidered Pattern; 6 Inktense Pencils; Set of Brushes; Textile Medium; Container

Create this beautiful sunflower block with Inktense! I created this design to make it easy for you to learn and play with all the techniques of both Inktense pencils and blocks. You will get hooked! They dry permanently so imagine the possibilities!

Supply List:

Most supplies will be provided in your kit. Please bring the following:

1. Spray Bottle
2. Container to hold water for your brushes
3. Paper Towels

If you have any Inktense pencils or blocks, feel free to bring them! If you feel you want to practice on a separate piece of fabric, you can bring that too. All you need is plain white fabric if you choose. Otherwise, just bring your beautiful self and let's have fun 😊
