

Foiled Again!

Cindy Lohbeck

Student Supply List

Cindy will provide foil and fabric and adhesive for practice and play, but you may decide to bring a pair of clean old jeans that need upcycling, or a new t-shirt to get expressive with.

I have a fabulous collection of stencils or bring a few of your own.

We will also have freeform writing and drawing ability, so bring your creative side!

Unlike most of my classes you will walk out with finished, dry fabric, so really no need for anything else. 😊
