

# Pathway through the Storm

56" x 56"

## GENERAL SUPPLIES:

Machine IF NOT PROVIDED by the venue - 1/4" foot

Neutral thread on top and in bobbin

Rotary cutter with sharp blade, personal cutting mat

Square ruler (8-1/2", 9-1/2" or 10-1/2" - I use an Omnigrd 9-1/2" square

Scissors for paper and for fabric

Small bag for trash and some scotch tape

Fine tip Sharpie marker

## PRE-CLASS PREPARATION:

Please pre-cut your fabrics and organize per color according to the attached cutting chart. Label by color letter (ex. A, B, C, etc)

If you are using different colors than the sample quilt, I would suggest that you place a fabric swatch by the color letter so you know which you have substituted.

We will be working on the Yellow/Orange/Lime Green/Pink portions of the quilt in class. We clearly won't get to the borders.

If you do not want to bring all your fabrics, please bring those fabrics properly labelled.

## REQUIRED KIT:

Includes full color pattern, re-useable foundation piecing stencils, foundation paper to complete the quilt. Cash preferred.

**NOTE:** "XD" on the cutting directions stands for cut in half on the diagonal to form two triangle-ish units
