

Tilda Pixel Pillow or Wall Hanging

With Carmen Geddes

So many stunning projects to choose from, ONE easy way to piece!

Tilda Fabrics does NOT give me as the teacher permission to download and copy these patterns for you. Please do this before class. Go to tildasworld.com/free-patterns-basics

That is where you can find and download all the fabric requirements. Choose one pattern for class. You don't need to print the whole pattern. The page with each of the fabrics numbered and the layout pages that show the fabric placement is all you need.. You don't need any of the sewing instruction pages.

You **do not** need to bring fabric for backing, or other pillow supplies to class.

Please have your fabrics cut and labeled before class. SQUARES SHOULD BE CUT 1.5"

Email Carmen at info.tensisters@gmail.com for questions.

Supply list: Basic sewing supplies. Elmer's washable school glue sticks or Sewline glue pens (I prefer the white that dries clear). Applique pressing sheet(optional) Irons provided in class. *This is a 3 hour class and we may not have time to sew. There will be a free room with sewing machines available.
