

Double Tumbling Blocks Quilt Workshop

with Rob Appell

This will be a fun and fluid workshop building blocks for a Strip Pieced tumbling Block style quilt. You may bring scraps, or totally organize your color theory. I will help assist in the construct and layouts.

Please note, I have several different YouTube videos available, however, I play with different size strips widths in each video. Therefore, you may work with any width strips you like, as long as the sizes are consistent.

**Double Tumble Pattern Included with Kit Fee -
if you choose to purchase from www.robappell.com in advance please make note
that you are in the Houston Workshop on your order.**
